About us

The Regional Law Revision Centre Inc. was established in Anguilla in 2007 as a non-profit organisation to maintain regular publication of accurate and accessible laws.

This venture was developed from the collaborative efforts of the Department for International Development (DFID) of the United Kingdom Government (UK), the Foreign and Commonwealth Office (FCO) and the Governments of Anguilla, Montserrat and the Turks and Caicos Islands.

The Government of The Virgin Islands became a member of the Board of Directors of the Centre from 31 August 2012. The current Board of Directors consists of Attorneys General of Anguilla, Montserrat, Turks and Caicos Islands and The Virgin Islands.

The Centre aims to be a dependable provider of continuous, high quality and cost effective law consolidation, law revision and training services, thus empowering the Attorneys General of Overseas Territories and Caribbean States to pursue good governance and efficient access to the law.

A non-profit organisation registered in Anguilla under the Companies Act, R.S.A. c. C65 and re-registered in 2010 in accordance with the Non-Profit Organisation Regulations, R.R.A. P98-2.

Mission Statement

To be a dependable provider of continuous, high quality and cost effective law consolidation, law revision and training services, thus empowering the Attorneys General of Overseas Territories and Caribbean States to pursue good governance and efficient access to the law.

Recent Development

The Centre is proud of the following significant development:-

The Centre signed a **Memorandum of Understanding (MOU) with CARICOM Secretariat and The Commonwealth Secretariat, UK** on 27 July 2012.

This MOU provides for the provision of experts and services by the Centre.

Secretariats provide marketing assistance to the Centre.

Data Capture

Data capture is an integral process for the consolidation and revision of Laws.

The Regional Law Revision Centre Inc. provides data capture service in a platform which sets the foundation for the Laws to be easily edited and formatted to required presentation styles.

Jurisdictions using a customised legislative drafting programme have experienced numerous challenges, including compatibility with upgraded Operating Systems.

The Regional Law Revision Centre Inc. uses Microsoft Word or InDesign template to input or reformat data with benefits as follows:

- Typesetting of Laws without customized software
- Standardization in formatting and updating Laws
- Presentation of the Laws in published volumes and format compatible with CD-ROMs, Ipad, Kindle and data-enabled cell phones.

Consolidation Service

We consolidate all of the Laws in your jurisdiction to a particular cut-off date and format them to suit your requirements.

The Regional Law Revision Centre Inc. offers the following consolidated services packages to meet your needs in keeping your legislation current:

- Financial package
- Criminal package
- Petroleum package
- Mining and Mineral package
- Customized package
- Entire statute books consolidation package
- Installation of your consolidated legislation as a Microsoft Word or InDesign database in the Attorney General's Chambers for future use.

Revision Service

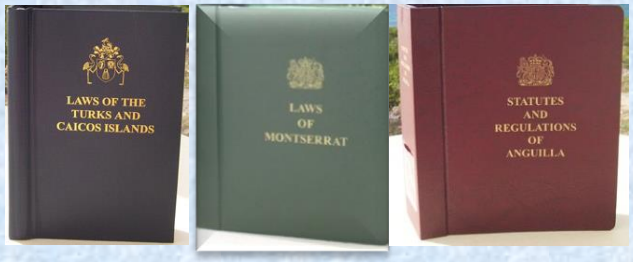
The Regional Law Revision Centre Inc. offers a range of law revision services to suit your situation and budget. In addition to consolidating amendments to the legislation being revised, law revision services include:

- Modernising and clarifying the language of legislation;
- Correcting errors and drafting mistakes without changing the substance of the law;
- Updating legislation for changes in the names of organizations, job titles, etc.;
- Imposing consistency in drafting styles;
- Removing obsolete, spent and expired provisions;
- Installing your revised legislation as a Microsoft Word or InDesign database in the Attorney General's Chambers for future use.

Printing Service

We are equipped with the latest digital printers and we provide on-demand printing for our customers. We print only what is initially required and additional print orders are produced as requested.

We recognize that, in order to complement the printing of legislation, presentation is important. Our experienced staff offers a choice of top quality paper and quality leather binders available on the market, with gold-embossed artwork.



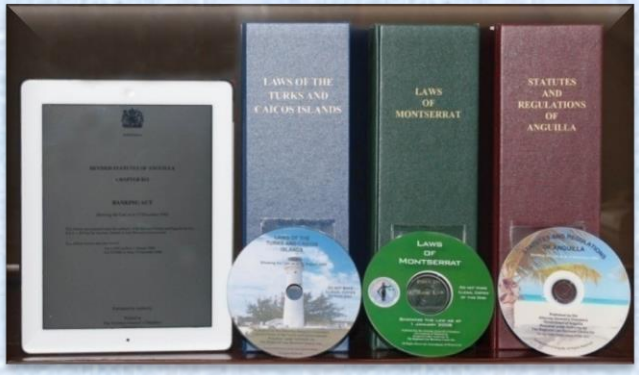
We also ensure that all legislation is packaged and appropriately labelled before shipment.

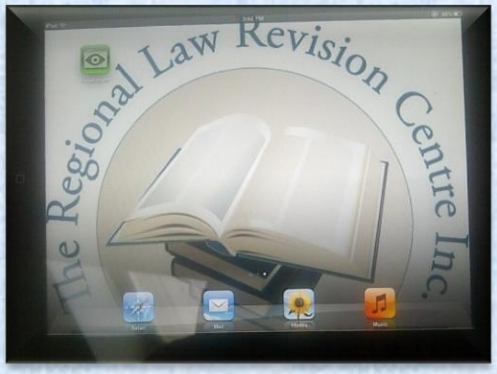
Chambers are the sole distributor with the flexibility of selling their Revised Edition Volumes, individual booklets and CD-ROM within the Chambers.

Electronic Publishing

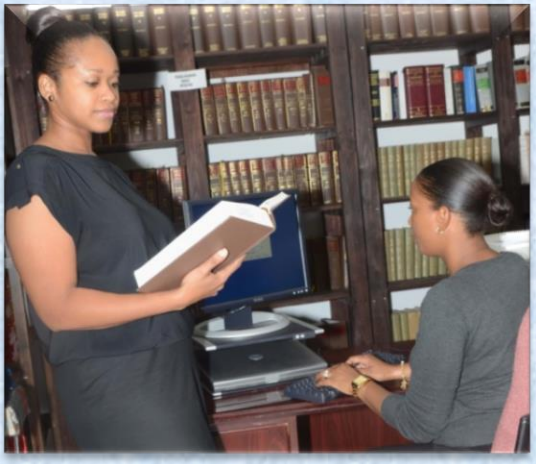
We offer state of the art technology as the Revised Laws are presented for viewing on the following mediums:

- Kindle
- Ipad
- CD-ROM
- Web Publishing
- Data enabled cell phones





Our technology provide:



- Convenient and efficient ease of access to the laws.
- User-friendly menu indexed for quick search, simply by using any reference word(s).
- Bookmarks of marginal notes.
- Secure format to prevent modification of content.

Consolidation of Laws Training
